The Scientific Committee met on Wednesday 27/10/2021 .

They discussed :

1-The proposed conference of the College of Arts on (human sciences), and the committee suggested the topic (text and communication, a study in the mechanisms of production and reception)

2-Accepting students in the scientific departments. The committee suggested raising the degree of comparison in the Arabic language department, which is set at (55) degrees and above; Because it is the least differential degrees in the scientific departments. To () as established in the College Council .

3-Dr. Arafat Faisal Abdul-Wahhab asked to teach of grammar; Because his specialty is grammar. The Grammar subject was specified for him in the third stage, Division (B .(

4-Holding a forum on the term in the department, and the Deanship will be approached; to approve it.
