

Course Description Form

1. Course Name:					
financial management					
2. Course Code:					
3. Semester / Year:					
Annual					
4. Description Preparation Date:					
28/2/2023					
5. Available Attendance Forms:					
My attendance					
6. Number of Credit Hours (Total) / Number of Units (Total)					
3 hours/3 units					
7. Course administrator's name (mention all, if more than one name)					
Name: . Jwad Kamel chechan					
Email Jwad.kamil.chechan@gmail.com					
8. Course Objectives					
Course Objectives	<ul style="list-style-type: none"> Identify the nature of the work of financial management. Identify the most important financial management decisions. Identify the nature of financial analysis of financial statements. Identify risks and returns. Learn how to manage capital. Identify the policies used in distributing profits and losses 				
9- Teaching and learning strategy					
Strategy	<ol style="list-style-type: none"> 1. Thinking strategy according to the student's ability 2. High thinking skill strategy 3. Critical thinking strategy in learning 4. Brainstorming 				
10- Course structure					
Week	Hours	Required learning outcomes	Name of the unit/topic	Learning method	Evaluation method
First	3	Learn about financial management and its departments	Chapter One - Financial Management - Definition - Sections - Objectives	<ol style="list-style-type: none"> 1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion 	<ol style="list-style-type: none"> 1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Second	3	Drawing and determining the general framework of financial management	The general framework within which the financial department operates	<ol style="list-style-type: none"> 1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 	<ol style="list-style-type: none"> 1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix

		through three basic decisions		5- Case studies and discussion	5- Reports and studies
Third	3	Exploring and Learn about achieving financial management goals	Objectives of financial management	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Fourth	3	Learn how to organize financial management	Organization of financial management	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Fifth	3	Understanding the Determine the scope of the CFO's job and know the obstacles the CFO faces	Scope of the CFO's job – Problems facing the CFO	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Six	3	Learn about financial analysis and what are the important factors that helped the development of financial analysis	Chapter Two: Financial Analysis - Definition - Factors that led to the need for financial analysis	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Seven	3	Identifying the beneficiaries of financial analysis is important to financial analysis	The importance of financial analysis - entities that benefit from financial analysis	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Eight	3	Identify modern trends in the concept of management	Accounting information and its role in the financial analysis process	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Nine	3	Identify the sources of obtaining internal and external data for testing	Data sources for financial analysis – internal and external	Written exam	10 points
tenth	3	Learn about the components of financial analysis	Essentials of financial analysis	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
eleventh	3	Knowledge of the tools used in	Chapter Three - Financial Analysis	1-Method of giving lectures	1-Exams of various types 2-Feedback from students

		financial analysis	Tools	2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Twelfth	3	Learn how to apply horizontal analysis to financial statements	Horizontal financial analysis of financial statements	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Thirteenth	3	Learn how to apply vertical analysis to financial statements	Vertical analysis of financial statements	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Fourteenth	3	Understanding organizational culture and diversity in the organizational context	Analysis using financial ratios for financial statements	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Fifteen	3		Break-even analysis	Written exam	10 points
sixteen	3	Learn how managers plan and why they do this practice	First monthly exam/first semester	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Seventeen	3	Identify the risks and returns of the investment process and comparison between projects	Chapter Four - Risks and Returns - Definition of Risks - Reasons for Risks	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Eighteenth	3	Know how to measure risks	Risk measurement - types of risks	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
nineteen	3	Learn about returns and how to calculate and predict them	Return - definition - components - how to calculate	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies

The twentieth	3	Knowing the relationship between return and the risks associated with it	The relationship between risk and return – how to calculate the return achieved	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
twenty one	3	Learn about the concept of working capital	Chapter Five - Capital - Capital Management	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Twenty -Two	3	Learn how to manage working capital	Capital concepts - the nature of capital management	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Twenty -three	3	Learn about the importance of working capital and how to calculate it	The importance of capital - calculating capital	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Twenty -fourth	3	Know how to manage working capital according to different policies	Capital policies – managing the cash flow cycle	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Twenty -five	3	Knowledge of the policies adopted by economic units in distributing profits	Chapter Six - Profit and Loss Distribution Policy	Written exam	10 points
Twenty -sixth	3	Knowing the factors affecting dividend distribution policies	Factors affecting the policy of distributing profits and losses	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Twenty -seventh	3	Knowing the types of policies adopted in distributing profits	Types of policies for distributing profits and losses	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Twenty -eight	3	Knowing the types of policies adopted in distributing profits	Factors affecting the distribution of profits and losses	1-Method of giving lectures 2-Student groups 3-Workshops	1-Exams of various types 2-Feedback from students 3-The method of expression with faces

				4- Reports and studies 5- Case studies and discussion	4-Learning matrix 5- Reports and studies
Twenty-nine	3	Knowing other types of policies for distributing profits	Other forms of distribution	1-Method of giving lectures 2-Student groups 3-Workshops 4- Reports and studies 5- Case studies and discussion	1-Exams of various types 2-Feedback from students 3-The method of expression with faces 4-Learning matrix 5- Reports and studies
Thirty	3		Second monthly exam/second semester	Written exam	10 points

11- Course evaluation

Distribution of the grade out of 100 according to the tasks assigned to the student, such as daily preparation, daily, oral, monthly, written exams, reports, etc.

12- Learning and teaching resources

1- Required prescribed books	[1] Financial management, scientific and applied foundations / Dr. Asaad Hamid Al-Ali 2017 / Wael Publishing House [2] Financial Management / Dr. Muhammad Ali Ibrahim Al-Amiri 2001, University of Baghdad
2- Main references (sources)	[1] Financial management, scientific and applied foundations / Dr. Asaad Hamid Al-Ali 2017 / Wael Publishing House [2] Financial Management / Dr. Muhammad Ali Ibrahim Al-Amiri 2001, University of Baghdad.
3- Recommended books and references (scientific journals, reports,...)	Scientific journals in administrative specialties
4- Electronic references, Internet sites	Specialized websites
