

# [Scopus] How to Access via IP connection

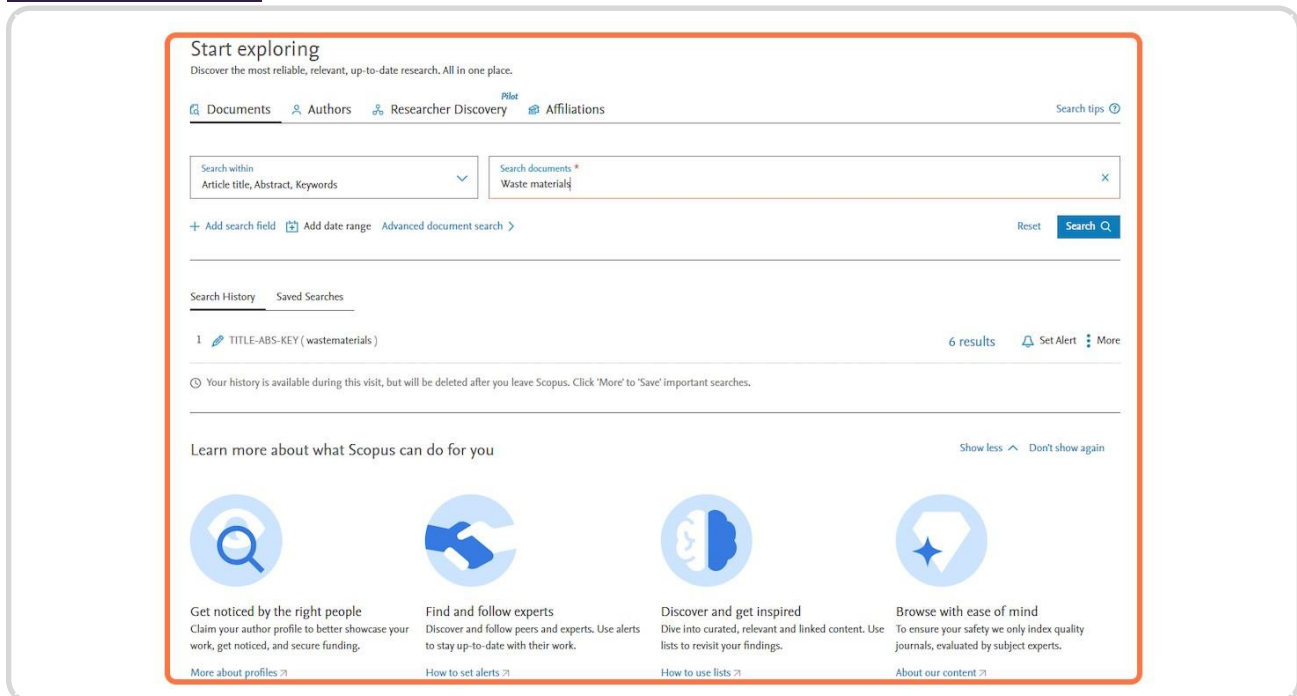

## S Scopus - Document search [↗](#)

5 Steps

Go to <https://www.scopus.com/>

### STEP 1

#### Start exploring...

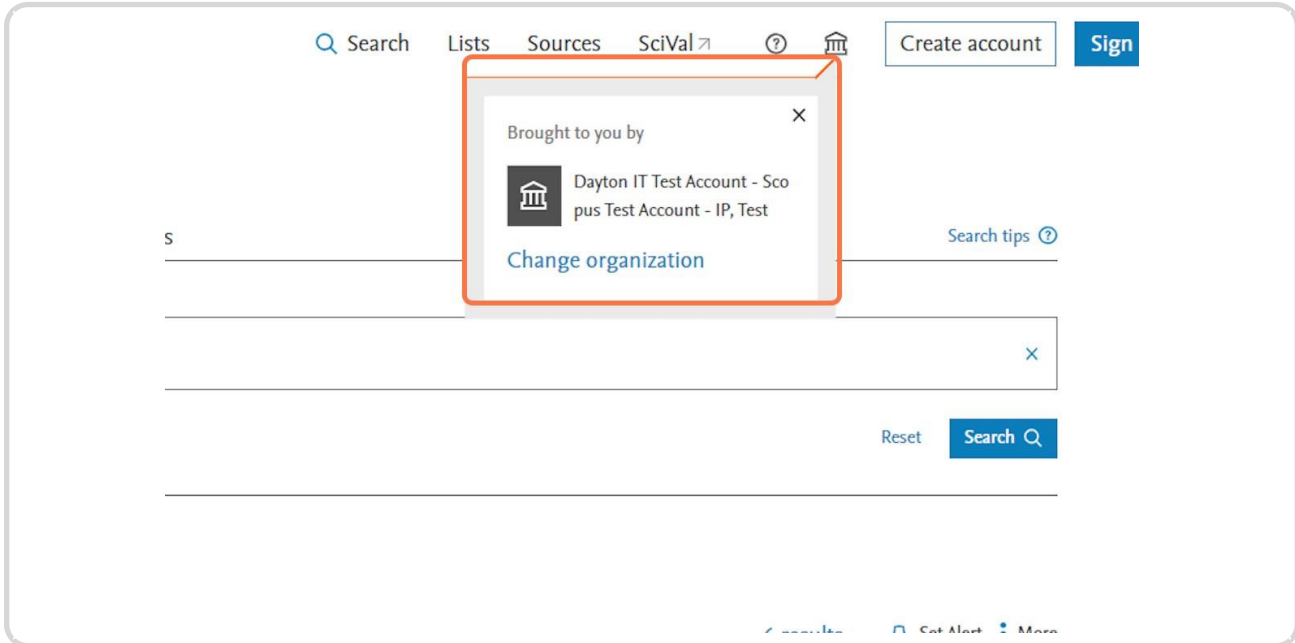

The screenshot displays the Scopus search interface. At the top, it says "Start exploring" and "Discover the most reliable, relevant, up-to-date research. All in one place." Below this are navigation tabs: Documents (selected), Authors, Researcher Discovery, and Affiliations. A search bar contains "Waste material" with a dropdown menu set to "Search within: Article title, Abstract, Keywords". There are buttons for "Add search field", "Add date range", "Advanced document search", "Reset", and "Search". Below the search bar, there are tabs for "Search History" and "Saved Searches". A search result is shown: "1 TITLE-ABS-KEY ( wastematerials )" with "6 results" and options for "Set Alert" and "More". A note states: "Your history is available during this visit, but will be deleted after you leave Scopus. Click 'More' to 'Save' important searches." At the bottom, there is a section titled "Learn more about what Scopus can do for you" with four icons and descriptions: 1. "Get noticed by the right people" (magnifying glass icon), 2. "Find and follow experts" (handshake icon), 3. "Discover and get inspired" (brain icon), and 4. "Browse with ease of mind" (diamond icon).

### STEP 2

## Click on the temple icon

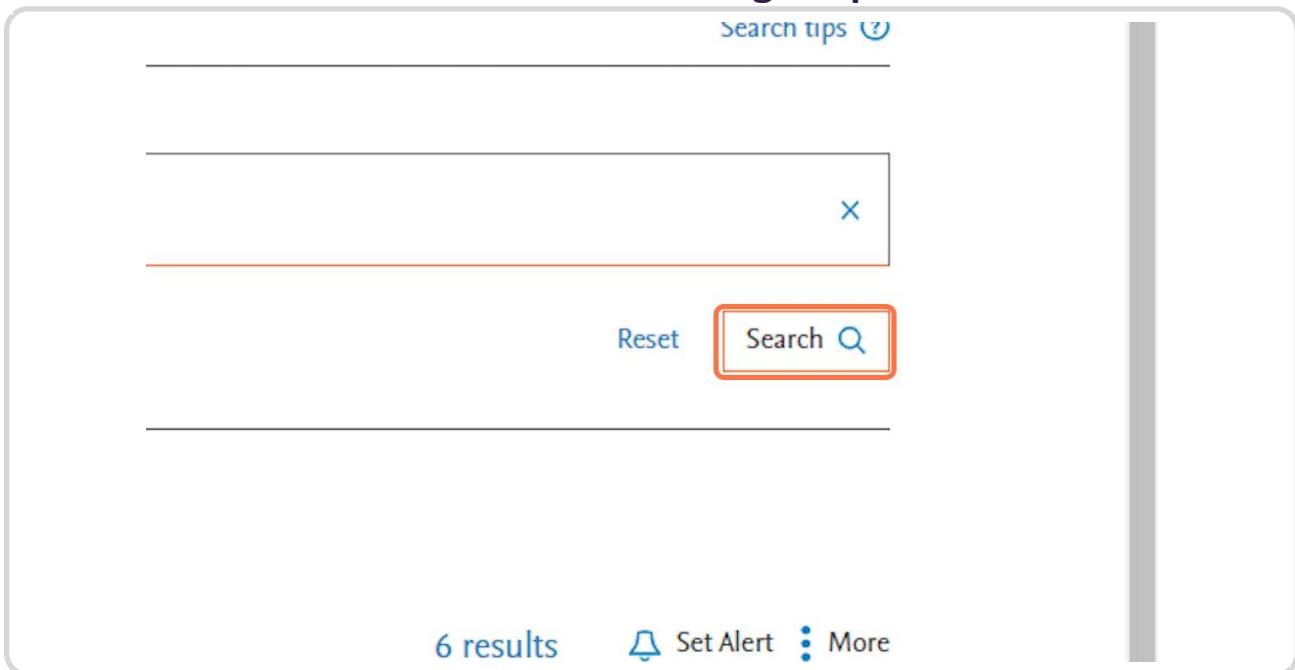

This would be your indicator that you are authenticated with your institution's IP.

The screenshot shows the top navigation bar of the Elsevier search interface. The navigation items are Search, Lists, Sources, SciVal, and a temple icon. To the right are buttons for 'Create account' and 'Sign'. A dropdown menu is open, showing 'Brought to you by' with a close button (X). Below this, there is a temple icon and the text 'Dayton IT Test Account - Scopus Test Account - IP, Test'. A link 'Change organization' is also visible. The search input field contains the letter 's'. Below the input field are 'Reset' and 'Search' buttons. At the bottom of the interface, there are links for '6 results', 'Set Alert', and 'More'.

## STEP 3

## Click on Search documents to start using Scopus

The screenshot shows the search interface with the search input field empty. The 'Search' button is highlighted with an orange border. The 'Reset' button is also visible. At the bottom of the interface, there are links for '6 results', 'Set Alert', and 'More'.

## STEP 5

**Results will appear as soon as you are authenticated.**
