seeks to obtain academic accreditation, as the Academic Accreditation Committee was formed in the department. The department seeks to take the necessary measures to keep pace with international universities by achieving:

- 1. An integrated plan for training lecturers.
- 2. A plan for training employees.
- 3. Developing computers and laboratory equipment.
- 4. Developing classrooms.
- 5. Working to provide rest rooms for female students.
- 6. Determine the duties and responsibilities of each employee.
- 7. Establishing special conditions for the teaching membership test.

- 8. Working to develop continuing education programs in the field of business administration.
- 9. Providing better services to the community through the consulting office and the mechanism for dealing with public and private sector institutions.
- 10. Work to follow up on developing the competence of the faculty member in the department.
- 11. Develop a guide for new students.
- 12. Working on students' participation in decision-making within the department.
- 13. Work on preparing projects and applied research.
- 14. Continuous evaluation of students.
