Self-Assessment Report

2023-2024

University of Basra Faculty of Fine Arts Department of Audiovisual Arts

Report Date: From 15/12/2023 To 10/2/2024

College Website:

https://bfac.uobasrah.edu.iq

Based on the administrative order No. 7/18/430 on 31/1/430, a committee was formed to prepare the self–report in the Department of Audiovisual Arts in accordance with the ministerial and university instructions of the teachers listed below:

Members of the Committee for the preparation of self-evaluation in the Department of Audiovisual Arts

t	Name	Current position	Adjective
1	Dr. Ayman Kazem Maghames	Ayman Kazem Maghames Head of Department	
2	Dr. Qusai Abdel Abbas Radi	Teaching	Member
3	Eng. Bahaa Abdulmohsen	Teaching	Member
	Hassan		
4	Eng. Haitham Zaki Abdulqader	Department Rapporteur	Member
5	Eng. Essam Jaafar Azab	Teaching	Member

Vision of the College of Fine Arts - University of Basra:

- Upgrading the quality of the college to international standards and commensurate with the classifications of total quality.
- Keeping abreast of developments in reputable universities to develop curricula and the educational process.
- · Developing teaching staff professionally and technically in line with scientific and technological development.
- Establishing a solid scientific and technical base that is open to global data.

Mission of the College of Fine Arts - University of Basra:

• Preparing graduates specialized in the field of fine arts.

- · Providing artistic institutions with specialized and effective cadres in the artistic community.
- Upgrading the artistic and aesthetic taste as a civilized phenomenon.

Objectives of the College of Fine Arts - University of Basra:

- Promoting the artistic movement and scientific research to the highest levels and within the requirements of development plans.
- •Contribute to the creation of a general environment for artistic culture in line with social values within the framework of society.
- Preparing technical staff specialized in the field of film directing and photography.
- •Creating a balanced and integrated personality for the student (intellectually and behaviorally), developing various activities, and spreading the spirit of creativity and renewal.

Vision of the Department of Audiovisual Arts:

Excellence in providing scientific, research and community services, enabling students to meet the needs of the labor market, and providing institutions with technical energies.

Objectives of the Department of Audiovisual Arts:

Qualifying specialized technical cadres from the initial study capable of spreading artistic and cultural awareness in the social environme of Basra Governorate.

Mission of the Department of Audiovisual Arts:

- •Consolidating the concept of scientific research in the field of audiovisual arts.
- Preparing technical cadres specialized in the field of audio and visual directly related to society and its contemporary issues.
- •Contribute to the development of society by building bridges with its members through the establishment of festivals and film screenings.
- •Follow up on the affairs of graduates and enable them to obtain job opportunities by constantly communicating with them through the establishment of seminars, courses and specialized workshops to develop their theoretical and practical abilities.
- Paying attention to academically outstanding students and helping them to complete their postgraduate studies in Iraqi
 universities and supporting them in their field of specialization (directing).
- •Work on building social cohesion through visits made by the department's staff to its students from the eye of cinema educationally and socially.

General Objectives: The Department of Audiovisual Arts aims to:

- 1-Enriching the Iraqi cultural and artistic scene with student seasons and film festivals produced by professors and students of the Department of Audiovisual Arts.
- 2-Openness to government institutions and service departments that are concerned with societal impact and impact through a series of seminars and technical and guidance workshops that serve community groups.
- 3-Working on cultural and artistic exchange between the Department of Audiovisual Arts and its corresponding departments in international and Arab universities and institutes through scientific and artistic exchange by holding conferences, workshops, joint festivals and seminars that will develop the teaching staff in the department.
- 4- Building specialized cadres in the field of television, radio, cinema and photography in Iraq and southern Iraq, and activating the role of audio-visual media in the city of Basra and southern Iraq.
- 5-Activating the role of audiovisual media and film and television production in the city of Basra and southern Iraq.

Special Objectives: The Department of Audiovisual Arts aims to:

- $1\text{--}\operatorname{Building}$ specialized cadres in the field of television, radio, cinema and photography.
- 2-Working on qualitative and scientific steps to produce student projects that participate in local and international forums and festivals.
- 3- Keeping pace with scientific achievements in the world, such as the three-dimensional exhibition hall and the television studio.

Preparation of students of the initial study (actual) - morning for the academic year 2023-2024

01	O. otion	Number of	T-4-1	
Class	Section	males	females	Total
First	Directing	10	26	36
Second	Directing	11	21	32
Third	Directing	14	17	31
Fourth	Directing	10	28	28
Total	I	45	92	127

: ratio of students to number of teachers = 127/10 = 12.7% students per

Teacher It is an acceptable percentage according to scientific contexts.

Practical reality: Students are distributed among the classrooms ranging from

(20) students to (25) students, meaning that there is (compatibility) in the number of students with classrooms (theoretical – practical)
