

Course Description Form

1. Course Name: neurology	
2. Course Code:	
3. Semester / Year: Annual	
4. Description Preparation Date: 25/3/2024	
5. Available Attendance Forms: Attendance only	
6. Number of Credit Hours (Total) / Number of Units (Total): 10 hours per year: one hour per week theory	
7. Course administrator's name (mention all, if more than one name)	
Name: mazin mohammad alowath	
Email: mazinhammady@uobasrah.edu.iq	
8. Course Objectives	
Course Objectives	1- Acquire skills in diagnosing and treating neurological diseases 2- Acquire skill in diagnosing and treating emergency neurolog conditions 3- Knowing the neurological symptoms of internal diseases and th importance in the diagnosis and prognosis of internal diseases.
9. Teaching and Learning Strategies	
Strategy	1- Education strategy through student-based learning 2- Teaching strategy through small groups 3- Learning strategy through clinical training and follow up
10. Course Structure	

Week	Hours	Required Learning Outcomes	Unit or subject name	Learning method	Evaluation method
One hour theory 6 hours clinical	30 theoretical hours 6hours/week for whole Teach in year 6 4 hours/week 6th year in summer time	1-Acquire skill in diagnosing and treating common neurological diseases 2- Acquire skill in diagnosing and treating emergent neurological conditions 3- Acquiring the skill in diagnosing the importance of neurological symptoms of internal diseases	neurology	1-Explaining the topic through interactive lectures 2- Discussing the clinical cases at consultation clinic 3-Slideshow lessons	1-Exams at the end of the practical course 2- mid-year written exam 3-end-of-year written exam

11. Course Evaluation: : 40 marks per year (15 marks practical exam + 25 marks mid-year theoretical exam) + 60 marks end-of-year theoretical exam

12. Learning and Teaching Resources

Required textbooks (curricular books if any)	Davidson 24 th edition, MacLeod clinical examination 15 th edition
Main references (sources)	Adams and victors principles of neurology
Recommended books and references (scientific journals, reports...)	1-Journal of American Academy of neurology. 2- Journal of European Academy of neurology.
