Academic Program and Course Description Guide

1. : Course Name

Business year students in the Department of-Administrative readings for first Administration

- 2. Course Code
- 3. Semester/year

2024-Semester for the academic year 2023

4. : Date this course was prepared

2023/1/10

5. : Available attendance forms

My presence only

6. : (study hours (total) / number of units (total

the semester, 2 hours per week hours during 30

7. Name of the course administrator

Shatha Ahmed AlwanA.M.D.

Abbas Abdel Hamid Abdel AbbasM.D.

abbas.abdulhameed@uobasrah.edu.iq

Course objectives .8

- 1. Providing students with scientific, academic knowledge about concepts and applied Objectives and practices of business .administration in English
- 2. Providing students with knowledge, skills, an abilities related to the main administrative functions in the organization (planning, (control organizing, directing, and
- 3. Providing students with new and creative idea regarding the vocabulary of the academic .subject
- 9. Teaching and learning strategies
 - 1. Collaborative concept planning strategy
 - 2. Brainstorming strategy
 - 3. Note series strategy
